Letter No 77 dated 4th August 1903 from the President of the Municy in the Chitaldrug Distt requesting that Govt sanction may be obtained for alteration of the date for the submission of Municl Budgets -

---

In this office docket - Re No 466-03 & 7471-03 & 29th July 1903, the Presidt was asked to submit his explanation for the long delay in the submission of the Municl Budgets for 1903-4

He states that the Budgets of some Municties were received in the latter part of March 1903, i.e., after the due date fixed by Govt Order Nos 7471-502 & 7480-92 dt 1st Dec 1892. And some ~~which had been~~ received in time had to be returned for revision, were also received back after the due date, & that it took about 14 days for the compilation of all the budgets in the Distt Office.

He also states that as the returns of the last six months of the previous year have to be taken into account in the preparation of new budgets, the matter cannot be placed before the Boards till the end of ~~*~~ January when meetings are generally held and sometimes the discussion of the Budgets will have to be postponed till about the end of Feby and that the compilation work will take place till about the end of March. The accounts, of December of every year
must therefore be ready in
the Vice Presidents' offices on or before

If the date is altered as proposed, it may not be possible to frame the annual Budgets before the commencement of the official year as is required under the existing practice and rules

May the President be informed that his request cannot be complied with, as any ~~postponement~~ of the proposal to fix the date later on will render the framing of the Budgets before the commencement of the year impracticable.

Sir,

In reply to your docket no. 466 ✓ 27-7-03 dated 29th ultimo, requesting explanation for the delay in the submission of the Budgets for 1903-04, I have the honor to state that the Budgets of the Municipalities of Chitaldrug, Tarikere and Harihar were not received till after the due date as per margin though reminders had been issued. The Budgets received from the Municipalities

Municipality	Date of receipt
Chitaldrug	22-3-03
Tarikere	22-3-03
Harihar	16-3-03

Municipalities of Harihar Malleswaram and Holenarsipur being imperfect, they were returned for revision and re-submission with explanations for the variations in the proposed estimates under certain heads, and these were received back on the dates as per margin and the subsequent delay of 18 days was due to the Budgets having to be compiled in this office for the 15 Municipalities in the District and to the papers having to travel from Head Quarters to my camp and back to Head Quarters Hence the delay which is regretted

2. In this connection, I would beg leave to state that the time allowed for the submission of the Budgets to Government seems too short. In para 2 of the Proceedings referred to in your docket under reference it is laid down that the Budgets should be placed for discussion in January 1903 The meetings are generally held on or about the last day of that month. This cannot well be done much earlier when the draft Budgets are discussed as the returns for the preceding six months ending with December have to be taken into account.

In

In some cases I found that owing
to unavoidable circumstances,
the discussion of the Budget had to
be postponed to even a later date
and that the fair copies of the Budgets
cannot be prepared and submitted
to this office earlier than about the
end of the third week of February.
Then these have to be checked in this
office in reference to the returns of
previous years and the sanctioned
estimates of the current year. Should
any information be imperfect or
wanting, or the unusual variations
in the proposed estimates not
fully explained, the Budgets have to be
returned for rectification. This
process may take to the close of
February 1903. I trust that it will
thus be seen that the plea for a
reasonably convenient time is justifiable
I would therefore solicit that
Government be pleased to alter
the date of submission of the Budgets
from 1st to 31st March 1903.

I have the honor to be

Sir,

Your most obedient servant

Order thereon No. 89-98 L.2602-92 280-92

Dated 14/9/03

To the Secy Local Govt & Chitaldrug

It is observed that as under G.P.No.5805-15/L.F.16-92 dated 28th October 1892 the monthly accounts from municipal Presidents are due in the Comptroller's office on the 15th of the month following and the accounts of December must be ready in the Vice President's office on or before the 10th January. As the figures of the 1st half of the year ending 31st December will be available in the Vice President's office by the 10th or at the latest 15th January, the same may very well be inserted in the Budget statement and placed for discussion before the meeting held in the latter part of the same month. If the discussion of the budgets cannot be completed at the first meeting it may be completed in a meeting to be held next week instead of deferring it to the next ordinary meeting to be held in the latter part of February. The Budget may

afterwards

approval
after ~~July~~ be submitted to the President in the 1st or 2nd week of February. Thus there will be ample time for the President's office to check the Budgets and to submit them to Government before the due date, ie, 1st March. Under these circumstances, the President's proposal to change the date for submission of municipal budgets to Government to the end of March cannot be complied with.

Moreover any proposal to fix a late date later on will render it impossible for Government to pass the Budgets before the commencement of the year to which they relate, which is absolutely necessary.

Letter No. 77, dated 4th August 1903, from the President of the Municipalities in the Chitaldrug District, requesting that the date fixed for the submission of Municipal budgets may be changed from 1st to 30th March.

No. 1139-98—L. F. 280-92, DATED BANGALORE, 14TH SEPTEMBER 1903.

ORDER THEREON.—It is observed that under Government Proceedings No. 5805-15—L. F. 16-92, dated 28th October 1892, the monthly accounts from Municipal Presidents are due in the Comptroller's office on the 15th of the month following and the accounts of December must be ready in the Vice-President's office on or before the 10th January. As the figures of the first half of the year ending 31st December will be available in the Vice-President's office by the 10th or the latest 15th January, the same may very well be inserted in the budget statement and placed for discussion before the meeting held in the latter part of the same month. If the discussion of the budgets cannot be completed at the first meeting, it may be completed in a meeting to be held next week instead of deferring it to the next ordinary meeting to be held in the latter part of February. The budget may after approval be submitted to the President in the first or second week of February. Thus there will be ample time for the President's office to check the budgets and to submit them to Government before the due date, that is, 1st March. Moreover any proposal to fix a later date than the 1st of March will render it impossible for Government to pass the budgets before the commencement of the year to which they relate, which is absolutely necessary. Under these circumstances, the President's proposal to change the date for the submission of Municipal budgets to Government to the end of March, cannot be complied with.

Accuracy and punctuality on the part of the several Municipalities in the district should be insisted upon.
